PRODUCT INFORMATION - READ BEFORE USE

MBRT7001 M.M. Kids Face Painting Set – Bright

Conforms to ASTM D-4236, EN71-3 & EU Directive 76/768/EEC: White, Yellow, Red, Blue, Green, Black

Ingredients: Paraffin Wax, Petrolatum, Glycerine, Calcium Carbonate, Phenoxyethanol, Sodium Benzoate, Ethylhexylglycerin. May Contain: Titanium Dioxide, CI 19140:1 (Yellow 5 lake), CI 15850 (Red 6), CI 15850:1 (Red 7), CI 77007 (Ultramarines), CI 42090 (Blue 1 lake), CI 47005:1 (Yellow 10 lake), CI 77266 (Black 2).

MBRT7002 M.M. Kids Face Painting Set – Pearl

Conforms to ASTM D-4236 & EN71-3: White, Black, Pearl Red, Pearl Purple, Pearl Green, Pearl Blue

Ingredients: Paraffin Wax, Petrolatum, Glycerine, Calcium Carbonate, Phenoxyethanol, Sodium Benzoate, Ethylhexylglycerin. May Contain: Titanium Dioxide, CI 77266 (Black 2), CI 15865:2 (Pigment Red 48), CI 51319 (Pigment Violet 23), CI 15850:1 (Red 7), CI 74260 (Pigment Green 7), CI 74160 (Pigment Blue 15), Mica

MBRT7003 M.M. Kids Face Painting Set – Neon

Conforms to ASTM D-4236 and EN71-3: White, Black,
Conforms to EN71-3: Neon Yellow, Neon Orange, Neon Red, Neon Green

Ingredients: Paraffin Wax, Petrolatum, Glycerine, Calcium Carbonate, Phenoxyethanol, Sodium Benzoate, Ethylhexylglycerin. May Contain: Titanium Dioxide, CI 77266 (Black 2), Benzoguanamine formaldehyde polymer, Sodium toluenesulfonate, CI Basic Violet 11:1, CI 74260 (Pigment Green 7), Non-Toxic Fluorescent pigments.

MBRT7004 M.M. Kids Face Painting Crayons – Bright

Conforms to ASTM D-4236, EN71-3 & EU Directive 76/768/EEC: White, Yellow, Red, Blue, Green, Black

Ingredients: Paraffin Wax, Petrolatum, Glycerine, Calcium Carbonate, Phenoxyethanol, Sodium Benzoate, Ethylhexylglycerin. May Contain: Titanium Dioxide, CI 77266 (Black 2), CI 19140:1 (Yellow 5 lake), CI 15850 (Red 6), CI 15850:1 (Red 7), CI 77007 (Ultramarines), CI 42090 (Blue 1 lake), CI 47005:1 (Yellow 10 lake).

MBRT7005 M.M. Kids Face Painting Crayons - Pearl

Conforms to ASTM D-4236 & EN71-3: Pearl Silver, Pearl Orange, Pearl Red, Pearl Purple, Pearl Green, Pearl Blue.

Ingredients: Paraffin Wax, Petrolatum, Glycerine, Calcium Carbonate, Phenoxyethanol, Sodium Benzoate, Ethylhexylglycerin. May Contain: Titanium Dioxide, CI 77266 (Black 2), CI 15985:1 (Yellow 6 lake), CI 15865:2 (Pigment Red 48), CI 51319 (Pigment Violet 23), CI 15850:1 (Red 7), CI 74260 (Pigment Green 7), CI 74160 (Pigment Blue 15), Mica.

MBRT7006 M.M. Kids Face Painting Crayons - Neon

Conforms to EN71-3: Neon Red, Neon Blue, Neon Yellow, Neon Orange, Neon Pink, Neon Green.

Ingredients: Paraffin Wax, Petrolatum, Calcium Carbonate, Glycerine, Phenoxyethanol, Sodium Benzoate, Ethylhexylglycerin. May Contain: Titanium Dioxide, Benzoguanamine formaldehyde polymer, Sodium toluenesulfonate, Diethylaminomethylcoumarin, Basic Red 1:1, Basic Violet 11:1, CI 74260 (Pigment Green 7), Non-Toxic Fluorescent pigments.

Caution:

- Avoid eyes, mouth or nasal passages. Do not use on open wounds, eczema, broken skin and/or acne. May cause irritation to sensitive skin or people susceptible to skin allergies - take extra care when painting young children. Always apply a test patch to a small area on inside elbow and leave for 30 minutes before face painting. If irritation occurs discontinue use and remove immediately.
- Do not apply to anyone with a contagious disease i.e. conjunctivitis, chicken pox or cold sores or anyone with head lice.

• We recommend that Mont Marte Kids® Face Paints / Face Painting Crayons is **not** applied to children under 3 years due to the sensitive nature of their skin.

• A parent or guardian should always be present whilst face paint is applied and worn by children.

Application:

- Wash the area to be painted with warm, soapy water and dry, before applying face paint.
- Always ensure your applicators (brushes and sponges) are clean before each use. Always clean the applicators before using another colour to avoid cross contamination.
- Clean applicators frequently.
- To ensure good setting of oil based face paints / crayons, apply a light dusting of baby powder / talc to the face or body before applying the makeup.
- Always use gentle pressure to apply designs to the skin.
- Hint: Apply light colours (white or silver) under dark / bright colours to avoid pigment staining skin.

Removal:

- Mont Marte Kids® Face Paints / Face Painting Crayons are oil based - remove with oil-based cleanser / makeup remover or cold cream applied to a cotton pad. Gently wipe over skin to remove face paint. Do not scrub or use harsh removers. Remove any residue with warm, soapy water.
- Do not leave face paint on overnight.
- Do not use baby wipes to remove face paint as these are a common cause of allergic reactions.
- Be aware - some colours may stain the skin - red, green, blue and black are known to leave light tinting to the skin.
- Try gentle baby shampoo, olive oil or coconut oil to remove any difficult tints.

Health and Safety:

- Use Mont Marte Kids® Face & Body Paint within 18 months of opening. Dispose of unused portion responsibly.
- Ensure all products are kept clean and free of dust and other contaminants.
- Keep Mont Marte Kids® Face Paints / Face Painting Crayons away from direct sunlight and store in a cool area for maximum longevity of the product.
- When applying Mont Marte Kids® Face Paint / Face Painting Crayons wash your hands regularly.
- In some circumstances people are allergic to the approved ingredients and pigments used. If any type of allergic reaction is apparent during the painting procedure (e.g. paleness, shortness of breath, difficulty in breathing, undue swelling or puffiness around the eyes) immediately discontinue painting and seek emergency medical attention.
- It is recommended that you do not mix different brands of face painting products as it is virtually impossible to identify the source of the allergic reaction.

Stains and Spills:

- Always ensure clothing is well protected when applying Mont Marte Kids® Face Paint / Face Painting Crayons. Protect work surfaces, seating and floor coverings.
- Avoid contact with fabrics, carpet and upholstery as staining may occur.
- In case of accidental contact, check care labels of affected clothing, fabric, carpets etc and spot treat the area as directed by manufacturer. Be careful to not use hot water as this may permanently set the stain.
- Note: please always check care labels of affected clothing, fabric, carpets etc before using any of these cleaning suggestions.
